## We Bring People Together

The NFRMPO serves local governments by providing them a VOICE to influence plans and programs that shape our transportation future.

We bestow our region many opportunities to make their voices heard:

- Planning Council (monthly)
- Technical Advisory Committee (monthly)
- Transit Advisory Group (monthly)
- Regional Summits / Symposia
- Charettes / Facilitation
- Website
- Public Participation Announcements

## Expertise at your Service

Our employees are the regional SUPPORT STAFF for our member governments, councils, businesses, and transportation-related organizations.

The following disciplines are represented by our staff:

- Transportation Planning
- Transportation Demand Management
- Travel Modeling
- Geographic Information Services
- Human Services Coordination
- Grant / Contract Management
- Event and Meeting Management
