### Meeting Objective:

#### **Discussion – South Fort Collins area transit service**

- 1. Review of Agenda**
- 2. Public Comment** (Non- agenda items)- no public comment
- 3. Public/Council Discussion Item – South Fort Collins Transit Concerns**  
Chuck Washington and several south Fort Collins residents presented information and shared their perspectives on the need for transit in south Fort Collins. Specific details are provided in the attached letter from Mr. Washington.
- 4. Approval of Meeting Notes** – Meeting notes were approved as written.
- 5. Discussion Items** - Thomas discussed the larger advocacy goal of the council and wanted to reiterate that there is a need to advocate in the community and with community leaders about the unmet transportation

needs in Larimer County. He asked the council if they felt the previous discussion was an instance that they wanted to use as a springboard for advocacy. Council had a discussion around this issue and were concerned that the concerns expressed earlier might not be a larger community need. Thomas suggested it be discussed next month and asked the LCMC members to think about the future direction of advocacy for the council.

## **New Business**– Upcoming Call for Projects

Warring briefed the council on the call for projects – no final funding numbers have been provided by the FTA but Warring anticipates that the NOFA will be sent by June 1<sup>st</sup>.
