Workplan put into chart form for easy reference and tracking. Warring will provide in August.

South Fort Collins Transit Concerns/follow-up – Thomas wondered if any council members wanted to pursue the south area residents concerns

New Business

2009 New Freedom Projects Update - Warring explained that the New freedom 5317 Skyway bus stop project was not looking like it will make the deadline for implementation and funding will have to be returned to the FTA. Warring expressed her frustration with the FTA as she felt they had some responsibility for the project not going forward. She will keep the council updated on the status of the project.

Bridges Out of Poverty – Conference Report – Thomas talked about the focus of the conference which was to understand the language of poverty. Feels it will be an interesting discussion worth keeping informed about.

6. Council Member Reports –

There were no council member reports in August.
